As used in this Agreement, "personal data" means any information relating: (i) to an identified; or (ii) to a directly or indirectly identifiable, natural person. All other information shall be deemed to be non-confidential. As used in this Agreement, an "Affiliate" with respect to a party means any entity (including without limitation any individual, corporation, company, partnership, limited liability company or group) that directly, or indirectly through one or more intermediaries, controls, is controlled by or is under common control with such party.
2. The Receiving Party further agrees that prior to disclosing any Confidential Information to its Affiliates, or its or their Authorized Parties, as allowed hereunder, such Affiliates and/or Authorized Parties will be advised of the confidential nature of the Confidential Information, provided a copy of this Agreement and directed to abide by its terms. The Receiving Party agrees to be responsible for any breach of this Agreement by it, its Affiliates, or its or their Authorized Parties. Obligations in this Section 1 regarding Confidential Information shall, with respect to each disclosure of Confidential Information hereunder, continue for three (3) years from the date of each disclosure of Confidential Information. Nothing herein is intended to limit or abridge the protection of trade secrets under applicable trade secrets law, and trade secrets shall be maintained as such until they fall into the public domain.

6. If either party or any of their respective Affiliates or Authorized Parties is requested or required, by interrogatories, subpoena or similar legal process, to disclose any Confidential Information or Notes, such party agrees to provide the Disclosing Party with prompt notice of each such request, to the extent practicable, so that the Disclosing Party may seek an appropriate protective order, waive compliance by the

No change, modification or addition to or waiver of any provision of this Agreement shall be binding unless in writing and signed by authorized representatives of both parties. Except as provided herein, the parties agree that any disclosures contemplated hereunder, and any discussions or communications between the parties relating thereto, shall not restrict either party's right to take whatever future actions such party unilaterally determines to be in its best interests, including the right to discontinue discussions with the other party at anytime or to undertake similar discussions or to enter into agreements or relationships with third parties covering subjects related to the matters covered herein. All provisions of this Agreement are severable, and if any provision or part thereof is deemed invalid or otherwise unenforceable, then such term shall be construed to reflect the closest lawful interpretation of the parties' original intent, and the remaining provisions of this Agreement shall remain valid, enforceable and binding. This Agreement may be executed in multiple counterparts, each of which, when executed and delivered, shall be deemed an original, but all of which shall constitute one and the same instrument. Any signature page of any such counterpart, or any facsimile transmission thereof, may be attached or appended to any other counterpart to complete a fully executed counterpart of this Agreement, and any facsimile transmission of any signature of a party shall be deemed an original and shall bind such party. The Receiving Party shall notify the Disclosing Party immediately upon discovery of any loss, unauthorized disclosure or use of the Confidential Information and/or Notes or any other breach of this Agreement by the Receiving Party, its Affiliates, or its or their Authorized Parties. In any such event, the Receiving Party shall help the Disclosing Party in every reasonable way to regain possession of the Confidential Information and/or Notes and shall prevent any further unauthorized disclosure or use. This Agreement will be binding on and inure to the benefit of the parties hereto and their respective successors and permitted assigns. Except for the foregoing, neither party may assign this Agreement or any of their rights and obligations hereunder or delegate the performance thereof to a third party without the prior written consent of the other party. Except as stated herein, nothing in this Agreement is intended to confer any benefit to any third party or any right to enforce any term of this Agreement. Any failure by a party hereto to enforce the other party's strict performance of any provision of this Agreement will not constitute a waiver of that party's right to subsequently enforce such provision or any other provision of this Agreement.

8. GE and Company each agree to take such measures as may be necessary to ensure that the disclosure of Confidential Information complies with any export control laws which may govern such disclosure. The Receiving Party represents and warrants that no technical data it receives in conjunction with the Confidential Information that is subject to the export control laws of the United States of America ("U.S.") shall be exported from the U.S. or re-exported from any other country without first complying with all export control laws and regulations of the U.S. Government, including without limitation the requirement for obtaining any export license, if applicable. The Receiving Party shall indemnify and hold the Disclosing Party harmless from all claims, demands, damages, costs, fines, penalties, attorney's fees and all other expenses arising from its, its Affiliates, or its or their Authorized Parties failure to comply with this clause and/or applicable export control laws and regulations.
